MAHMOUD AHMED MOHAMED

FRONT END DEVELOPER

I'm a Front End developer with a strong technical skill-set, attention to detail, I want to work as a front-end developer
- Ambitious - Looking up for a better future - I love the thought and programming
- I'm lucky because I really love what I do.
- I do not care about I work in a big or small company.
 What interests me is the harmony between me and the employees and I work with a manager who always drives me forward.
